The leases are for one-year. Rental rates are affordable, and are monitored by the State through the New Jersey Affordable Housing Trust Fund Program and can change yearly, upon renewal.

**7. How much are the application fees?**

There is a \$30 non-refundable application fee for each adult household member (18 years of age or older), which covers a credit check and criminal background screening. This is only due at time of Final Application and must be in the form of a money order or a certified bank check and must be made payable to The Place at Haddonfield.

**8. Exactly how much money do I have to have available, and when?**

When you submit your admission application you will need to submit a non-refundable application fee of \$30.00 per adult applicant (18 years of age or older). At the time of your appointment with one of our team members to verify your income and assets you will be required to place a \$100.00 deposit on an apartment. This deposit is only refundable if it is deemed your household does not qualify for the apartment based on income and asset information. If it is deemed you do qualify and you do not move in, the deposit will not be refunded. Once your income and asset information has been third party verified and your file has been approved by the New Jersey Housing and Mortgage Finance Agency you will be required to sign a Lease and pay a security deposit in the amount of one and a half (1.5) month's rent, as well as pay your first month's rent. If an applicant owned a home that was sold or disposed of in the last two (2) years, the closing papers from the sale of the home must be provided to the Place at Haddonfield team at the time of final application.
